August 26, 2020 | 12:00-5:00 PM EST

Hospitals have been on the front lines of the COVID-19 pandemic for months. KHA's Virtual Annual Meeting will provide you with an opportunity to join your colleagues from across the state for some celebration, some education and a little humor to recharge yourself for the challenges ahead.

The highlight of this virtual event will be the installation of **Kathy Stumbo, CEO of ARH Our Lady of the Way Hospital, as the 2020-2021 KHA Board Chair.**

Earn ACHE Credits
You can earn up to 3.0 hours of ACHE face-to-face credits during two educational sessions with Michael E. Frisina. Plus, you can take a moment to relax and earn 1.0 hour of ACHE Qualified Education credit while enjoying the humor of nurse humorist Terry M. Foster, RN.

Michael E. Frisina is founder of The Center for Influential Leadership, responsible for teaching, publishing and speaking on the current trends in organizational performance. He is a former subject matter expert in leadership for the U.S. Army Medical Department and faculty member at The United States Military Academy at West Point and The Uniformed Services University

Foster has been featured in ten episodes of The Learning Channel's (TLC) national TV program "Untold Stories of the ER" and two episodes of "Sex Sent Me to the ER."

This fun and enlightening talk will focus on the very "different" sense of humor shared by all nurses. It is humor that invokes a positive attitude and unites clinicians, no matter what your area or era, of nursing practice. Plan to be thoroughly entertained!
