Sustainability of Health Care Organizations: A Plan of Action

Learn from a panel of Kentucky hospital chief financial officers

1.5 ACHE Face-to-face Education Credits

February 17, 2022 - 2:30 - 4:00 p.m. ET

Frankfort Country Club - 101 Duntreath Street - Frankfort, Kentucky 40601

DESCRIPTION: Reimbursement, health care reform and environmental challenges are all complex issues surrounding the sustainability of health care institutions in the U.S. This hospital CFO panel discussion will emphasize the necessity of understanding operational and cost problem areas for health care system growth and sustainability. The primary goal of this discussion is to provide an overview of current successes and solutions so the audience can build their own realistic plan of action.

REGISTRATION FEE: \$50 per participant - Free for students

REGISTER BY FEBRUARY 16 online at: <https://www.kyha.com/events>

FOR INFORMATION: Pam Kirchem, MBA, FACHE, CHFP
 Director/Hospital Services - Kentucky Hospital Association
pkirchem@kyha.com or 502-220-8430

Topics for Discussion

- How can a hospital survive and thrive in the future?
- What are some of the best practices put in place by health care organizations and ACOs that have effectively reduced expenses and still maintained high-quality patient care?
- What are some of the key financial principles that healthcare organizations should use as guidelines for their own operations?
