

Kentucky Hospital Association Workplace Safety Course

Advanced Instructor Training in Workplace Safety

▶ 3-day Course ▶ 24 hours of Instruction

KHA is partnering with a Joint Commission-accredited workplace violence prevention company, AVADE®, to offer two opportunities for a member hospital representative to attend the Advanced Instructor Training Course in Workplace Safety.

Each session will host 25 hospital representatives (one attendee per member hospital), who will receive FREE training (\$1,800 value).

THIS OFFERING IS ON A FIRST COME BASIS, so register early for one of the two identical sessions.

Program Agenda - Instructor: David Fowler

- DAY ONE:** AVADE® Level 1 educations, preventing and mitigating violence in the workplace presentation involving scenario-based exercises, group interaction, discussion, lecture, and hands-on techniques.
- DAY TWO:** A comprehensive instructor development section provides instructional techniques to enhance learning and retention of the AVADE® Level 1 material with the second half of the day being AVADE® Level 2 self-defense tactics.
- DAY THREE:** Review of AVADE® Level 2 self defense tactics and learn AVADE® Level 3 defensive control tactics.

PLEASE NOTE: Day Two & Day Three - wear clothing and shoes appropriate for PHYSICAL ACTIVITY.
