2023 KENTUCKY STATEWIDE TRAUMA AND EMERGENCY MEDICINE SYMPOSIUM

October 18 – 19, 2023

Hyatt Regency Lexington
401 W High Street,
Lexington, KY 40507

#KYTRAUMA2023

Providing evidence-based practice topics to personnel within the Kentucky Trauma System. These resources are designed to enhance the provision of excellent trauma care to all patients throughout the continuum of care. Additionally, we will be facilitating access to new guidelines that have been developed to elevate patient outcomes and promote quality care when treating traumatically injured patients. By doing so, we aim to ensure that the highest standard of care is delivered to all patients within the Kentucky Trauma System.

In collaboration with UK Healthcare, University of Louisville Hospital, Norton Children's Hospital.

ACCREDITATION INFORMATION

JOINT ACCREDITATION™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, University of Kentucky HealthCare CECentral is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

CME

This live activity is designated for a maximum of *10.75 AMA PRA Category 1 Credit(s)™*. Physicians should claim only credit commensurate with the extent of their participation in the activity.

CPE

This knowledge-based activity will award 10.75 contact hours (1.075 CEUs) of continuing pharmacy education credit in states that recognize ACPE providers.

CNE

The maximum number of hours awarded for this Continuing Nursing Education activity is 10.75 nursing contact hours.

EMS

The Kentucky Board of Emergency Medical Services (KBEMS) certifies that this educational activity is designated for 10.75 KBEMS contact hours.

AMA PRA CATEGORY 1 CME FOR ABS MOC II (SURGERY)

This live activity is designated for a maximum of *10.75 AMA PRA Category 1 Credit(s)™*. Physicians should claim only credit commensurate with the extent of their participation in the activity. Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn credit toward the CME of the American Board of Surgery's Continuous Certification program. It is UK HealthCare CECentral's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit. Surgeons completing this course receive 10.75 continuing education credits.

OTHER

UK Healthcare CECentral certifies this activity for 10.75 hours of participation.

OBJECTIVES

Upon completion of this activity, participants will be able to:

- Outline best practices for resuscitation of trauma patients, a critical component of early care.
- Explain current research and trends of care for trauma and emergency medicine patients.
- Evaluate selected contemporary issues affecting trauma and emergency care systems.
- Describe pre-hospital, medical, and nursing management of specific emergency conditions, injuries, or complications.
- Identify epidemiological factors related to trauma and emergency medicine.

TARGET AUDIENCE

This event is directed towards physicians, nurses, nurse practitioners, physician assistants, EMT/EMT-P's, respiratory therapists, radiology technicians, pharmacists, trauma registrars and other allied healthcare professionals caring for trauma, emergency, and critical care patients.

FACULTY DISCLOSURE

All planners, speakers, authors, and reviewers involved with content development for continuing education activities provided by the University of Kentucky are expected to disclose any real or perceived conflict of interest related to the content of the activity. Detailed disclosures will be included in participant materials or given prior to the start of the activity.

An Equal Opportunity University

GENERAL INFORMATION

Thank you for attending this educational activity. No meeting is truly successful if it simply serves the purpose of transferring information. You are encouraged to pose questions to the speakers and take advantage of the time allocated for informal exchanges and networking.

The evaluation link and QR code are below to access the online evaluation. The link will also be available on the symposium CECentral website. It must be completed at the end of the conference. Feedback from the evaluation is essential to identifying educational needs and planning future continuing education activities.

EVALUATION: https://uky.az1.qualtrics.com/jfe/form/SV_czEflkIUT2WUFIY

DISCLOSURE OF RELEVANT FINANCIAL RELATIONSHIPS WITH INELIGIBLE COMPANIES

All planners, faculty, and others in control of educational content are required to disclose all their financial relationships with ineligible companies within the prior 24 months. An ineligible company is defined as one whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. Financial relationships are relevant if the educational content an individual can control is related to the business lines or products of the ineligible company.

None of the planners, faculty, and others in control of educational content for this educational activity have a relevant financial relationship(s) to disclose with ineligible companies.

The material presented in this course represents information obtained from the scientific literature as well as the clinical experiences of the speakers. In some cases, the presentations might include a discussion of investigational agents and/or off-label indications for various agents used in clinical practice. Speakers will inform the audience when they are discussing investigational and/or off-label uses.

Content review confirmed that the content was developed in a fair, balanced manner free from commercial bias. Disclosure of a relationship is not intended to suggest or

condone commercial bias in any presentation, but it is made to provide participants with information that might be of potential importance to their evaluation of a presentation.
